***Campus Security & Life Safety* Announces Secure Campus 2022 Awards Winners**

Dallas, Texas, March 31, 2022 – *Campus Security & Life Safety* magazine has announced the 2022 winners of its Secure Campus Awards competition. The awards honor outstanding campus security services and products.

As more students returned to in-person instruction over the past year, campuses across the country recognized security as a priority. This fifth year of the Secure Campus Awards program brought in numerous innovative security products and solutions designed to protect campuses. The 1105 Media Infrastructure Solutions Group's *Campus Security & Life Safety* and campuslifesecurity.com branded media, along with Campus Security & Life Safety Virtual Summits, offer important information to the campus security market. The Secure Campus Awards are another way this brand recognizes the products and services key to the market.

"We'd like to thank everyone who entered this year's Secure Campus Awards, and congratulations to the winners!" said Matt Jones, senior editor for *Campus Security & Life Safety*. "The ingenuity, inventiveness and adaptivity represented across this year's products was truly astounding. We feel it's important to celebrate organizations dedicated to addressing ever-changing campus security problems and solutions, and we're continually amazed at the ways they rise to meet new challenges."

An independent panel of judges from the security industry selected the top entries in the 2022 categories and named them winners using criteria including Features, Innovation, User Friendliness, Interoperability, Quality, Design, Market Opportunity and Impact in the Security Industry, Technical Advances, and Scalability.
