

## Components

Fuses, cables, system parts

FlexPower components are those parts often needed by an installer on the job, but never handy. They include bulk packs of fuses, nylon standoffs, camlock sets, quick connects, system cables, and battery harnesses.

Description	Quantity
<a href="#">Low Power Battery Disconnect Module (BDM)</a>	1
AC Cable	2
ATM-3 Fuse	25
ATM-5 Fuse	25
ATM-7.5 Fuse	25
ATM-10 Fuse	25
ATM-15 Fuse	25
ATM-30 Fuse	25
Camlock Set	3
